

## Attention, BCP Guests!

**THANK YOU** for visiting BCP's 2021 Spring-n2-Cycling webpage! We sincerely appreciate your interest in this event.

As of April 30, room availability at our hotel (Quality Inn & Suites in Danville) is extremely limited. We have asked the Quality Inn to notify us immediately, if any more rooms become available. Please do **NOT** proceed with registration, without first contacting the Event Leader, to discuss rooming options. If you would like to have your name placed on the WAITING LIST, or, if you would consider alternative accommodations at another hotel nearby, please contact the Event Leader (Linda) at 267-251-7862, or [LindaBCPEvents@yahoo.com](mailto:LindaBCPEvents@yahoo.com). There are several other hotels very close to the Quality Inn.

**THANK YOU** again for your interest in this BCP Weekend. By the way – we also host a Fall Foliage Weekend in Hanover/Gettysburg, PA in October. The dates for the 2021 Fall Weekend will be October 22-24.

We look forward to welcoming you at an upcoming BCP Weekend event!
